

ADDENDUM NO. TWO (2)

**MCLAREN TAILINGS ABANDONED MINE SITE RECLAMATION PROJECT
PARK COUNTY
DEQ Contract No. 410010**

Addendum Date: February 5, 2010

Bid Date and Time: February 18, 2010 at 2:00 PM

The construction specifications, drawings and bidding documents for the McLaren Tailings Abandoned Mine Site Reclamation Project, Park County and postings on the DEQ web site addressing the matters referred to below are hereby modified and superseded by this Addendum.

1. Insert the following text as the final bullet under Subsection 6, Health and Safety Plan of Section III - Special Provisions, page 3.
 - *"For Bid Alternatives 2 and 3, Contractor shall comply with all Barrick Golden Sunlight Mine Health and Safety requirements while on the Barrick Golden Sunlight Mine property."*

2. Insert the following paragraph immediately before the final paragraph under Transportation of Section III - Special Provisions, Bid Item A-2b, Excavate, Load, Haul, Stockpile, Scale, and Transport Stabilized Tailings Materials to Off-Site Processing Facility, page 139.

"Contractor shall comply with all Barrick Golden Sunlight Mine Health and Safety requirements while on the Barrick Golden Sunlight Mine property. Failure to comply with all Barrick Health and Safety requirements is cause for immediate work stoppage and/or grounds for termination of the Contract. "

3. Insert the following paragraph immediately before the final paragraph under Transportation of Section III - Special Provisions, Bid Item A-3b, Excavate, Load, Haul, Stockpile, Scale, and Transport Stabilized Tailings Materials to Off-Site Processing Facility, page 144.

"Contractor shall comply with all Barrick Golden Sunlight Mine Health and Safety requirements while on the Barrick Golden Sunlight Mine property. Failure to comply with all Barrick Health and Safety requirements is cause for immediate work stoppage and/or grounds for termination of the Contract. "
